# THE FIRST HOTEL OF A NEW CHAIN OF LUXURY HOTELS, ALMANAC BARCELONA.

THE INAUGURATION OF ALMANAC BARCELONA, THE WORLD'S FIRST ALMANAC, IS SCHEDULED FOR NEXT SUMMER.

As for the hotel's offer, it will have a panoramic terrace on the roof as well as a swimming pool and a lounge where you can watch the sun fall over the city discovering its Mediterranean skyline.

Barcelona's Almanac hotel offers its guests the first establishment of this new chain of luxury hotels, luxury understood as excess, gold and diamonds but design, style, functionality and beauty.

If you are as eager to visit as we are, remember that it opens next summer.

Imanac is the name of the new hotel luxury, it is a new luxury chain that will open its first hotel in 2017, towards the summer, and will be in Barcelona, then Vienna, Prague, Zagreb and Budapest will arrive, none before 2019 Except Zagreb which will be opened at the end of 2018.

Some of these hotels are newly built, others are superb refurbishments of classic hotels but the end is the same: luxury hotels in emblematic buildings, in the heart of cultural cities and ready to offer a unique experience that begins to fuse in the very beauty of the hotel, in its harmony.

Today we are approaching the one that will be the first Almanac, in Barcelona, because they are already a few months away; Is a hotel with 92 rooms and suites located in the Gran Vía de les Corts Catalanes, in the heart of Barcelona, so much that it is only a few steps from the Paseo de Gracia and its shops, restaurants and museums.
