

A Day with Mariana Espinet in my neighborhood, Sarria

CAFE ON Y VA

My favorite moment of the day: a specialty coffee at On y Va, where I always run into someone from the neighborhood to chat with.

MY STUDIO

The morning unfolds in my studio on Carrer Cornet i Mas 33, where color and form speak for me.

APERITIVO

BAR TOMAS

A must: an aperitif with the bravas from Tomas, in the heart of the neighborhood's hum. They truly are the best.

ESCAT GALLERY

I begin the afternoon with a visit to Escat Gallery, in the beautiful Plaza Sant Vicenc, where I always find part of my inspiration.

CARRETERA DE LES AIGUES

I start the morning with a walk surrounded by nature and silence; between greens and horizons, I look for the calm that always inspires me.

PARQUE SANTA AMELIA

And I end the day at Parc de Santa Amelia, playing with my three daughters in some quiet corner where the light stretches and the day fades softly.
