SIGNATURE TREATMENT

THE VIENNESE LIFT & GLOW RITUAL

This skin-reviving ritual will tone the facial muscles, release tension, activate the lymphatic system, drain the face from toxins and depuff the face. It effectively diminishes the visibility of fine lines and wrinkles, resulting in a tighter, brighter complexion by using a combination of Gua Sha, Glow Cupping, Dry Brushing, and Cryo-massage techniques, enhanced by the nourishing properties of botanical skincare products.

AYURVEDIC TREATMENT

AYURVEDIC BODY TREATMENT

Ayurveda, a traditional Indian medicine system, has a rich history of use. It emphasizes the five elements' impact on health.

The Marma points are specific anatomical locations in your body through which the energy of these elements flows. Led by our skilled therapist from Kerala, the treatment stimulates these spots, boosts energy flow, and relieves muscles through a gentle massage combining lymphatic techniques.
